

# What is Lexing Spain?

Lexing Spain is a professional services firm, based in Barcelona. We combine business and technology consulting with business-related legal services, both for startups and established businesses.

## How can we help you?

### SERVICES FOR TECHNOLOGY OR INTERNET-BASED STARTUPS

We provide you with our **'Startup 360'**.

Total advice through each phase of the creation and development process of your business.

- **Advice** prior to the creation of your company.
- Protection of **intellectual property**.
- **Compliance** with regulations (eg. data and consumer protection).
- **Fundraising**.
- **Negotiation** of shareholder agreements.
- Advice on entering **markets outside Spain** and, if necessary, assistance in selling the company.

For each area of advice –business, technological and legal– we provide flexible quotes tailored to your specific needs.

***So contact Lexing Spain and tell us about your startup!***

### SERVICES FOR ESTABLISHED BUSINESSES

We provide **business consulting** and **legal advice** in a wide range of areas.

- **Corporate**. We can advise you on all aspects of running a company.
- **Contracts**. We draw up, review and negotiate contracts for any area of commercial activity.
- **Technology, Telecommunications and the Internet**. We advise on legal aspects of telecommunications, e-commerce, internet-based gaming or any other form of business conducted through the web.
- **Data Protection**. We help you comply with Spanish data protection regulations.
- **Labour and Tax Issues**. We plan and advise on labour and tax issues of the company.
- **Criminal**. We provide legal defence in the event of economic and corporate crime, and infringement of intellectual property rights.
- **Conflict Resolution**. We act in court at all stages of proceedings and in all jurisdictions, and in national and international arbitration and mediation.

## ■ An international dimension

Lexing is the first international network of lawyers specialised in advanced technology law. We meet the needs of our international clients, and of clients who are looking to expand internationally.

### Did you know?...

Lexing Spain has successfully assisted technology and internet-based companies in their internationalisation process in France, United Kingdom, United States, Mexico, Argentina, Colombia, Brazil and Chile.
